

BOB Book Printables

Set 2 Book II

These were created to use with [BOB Books Set 2](#).

Page 2 — Listen and Stick

Give your student some small stickers. Call out words, one at a time. As you call out a word, your student should find the appropriate column and place a sticker under the word. Continue until page is full (or student is bored with this activity).

Page 3 — Finish the Sentence

Cut and paste the pictures to the appropriate places to finish the sentences.

Page 4 — Reading Comprehension

Page 5 — Words to Type

Print the page and let your student type the words right on the computer, using the word processing program of your choice. I know this activity isn't for all students, but my little guy LOVES it. He feels so big! Be sure and teach your child how to use the enter button (hit it after they finish a word). They will probably love typing and printing the word list.
